Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached Form PTO 1449. To the best of the undersigned's knowledge, this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application.

With the exception of four (4) documents, the documents listed in the 1449 form were previously cited in prior Application No. 10/374,523, filed February 27, 2003, upon which Applicants rely for the benefits of 35 U.S.C. § 120. Under the provisions of 37 C.F.R. § 1.98(d), copies of these previously-cited documents are not being submitted herewith.

Copies of the four documents that were not cited in prior Application No. 10/374,523, are submitted herewith. Applicants also attach a copy of an International Search Report received from the European Patent Office in the international counterpart to this application.

Applicants respectfully request that the Examiner consider all of the listed documents and indicate that they were considered by making appropriate notations on the attached 1449 form.

If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Patent Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
